H & M Premium Financing--Update

H & M Premium Financing would like everyone to know that they are here to help with all of their financing needs. As a reminder, financing can be obtained on just about any policy (Auto, Commercial, Motorcycle, etc.)

All motorcycle and 6 month policies require a 40% down payment and all 12 month Auto policies require a minimum 20% down payment. Commercial policies require a 25% down payment.

It is strongly recommended that these down payment amounts be collected. Agents will never be out of pocket if the correct down payment has been collected.
